

MEMORANDUM

To: All Staff | From: Operations Team | Date: September 3, 2026

Please be advised that our office will be relocating to the new building on Fifth Avenue beginning next month. This decision was made after careful consideration of our growing team size and the need for additional meeting space. The new location offers significantly more square footage, upgraded conference rooms, and better access to public transit for staff who commute from outside the downtown core.

All employees are requested to pack their personal belongings by the end of this week. The facilities team will handle the moving of shared equipment and furniture, including desks, monitors, and communal kitchen items. Please label all boxes clearly with your name and department so that items can be sorted efficiently upon arrival at the new site.

We recognize that any move can be disruptive, and we are committed to making this transition as smooth as possible. A detailed floor plan of the new office will be shared by the end of the week, along with assigned seating arrangements for each department. Parking permits for the new building will also be distributed during the first week of occupancy.

If you have any questions or concerns regarding the move, please reach out to Human Resources directly at extension 214, or stop by the HR office during regular business hours. We appreciate your patience and flexibility during this transition period.

Sincerely,
The Operations Team
